Pastor's Corner

Missions is the heartbeat of the gospel! The last command that Jesus gave before ascending into heaven was to go out into the world and preach the gospel! We are living in the days in which we should continue to tell the world about Jesus! This command has not expired nor has it lost its fervency! As a matter of fact, we should be more fervent about this command as we see the day of the Lord approaching! We should tell those in our Jerusalem, our Judea and Samaria. We must also go out into the uttermost parts of the earth. We send missionaries to go where we cannot. We support missionaries that they can reach those that God has placed their burden in their heart. Today we are privileged to have a couple that has a burden for the people of India. Pray for brother and sister Elrod that they might have safe travel and above all, boldness to proclaim the gospel in a land that needs the Lord!
