Pastor's Corner

This is the time of year that seems that there is not enough time to accomplish all that we have planned. For most people, these plans range from the family gatherings to the school gatherings to the church gatherings. I love fellowship and these gatherings are a time of fellowship and fun but there are times that we are just too busy and are not taking in the reason for what we have these gatherings. This last week was to be thankful to God. This is the same God that has blessed us in every facet of our lives. The coming season is because God loved us so much that He sent His only begotten Son. This is the true reason for these seasons and may we never lose the focus on God. The distractions of this world can take away from what God sent to us; grace, peace, mercy and love. All these were in One precious gift, the gift of our Lord and Savior, Jesus Christ!
