Monthly Missions Highlight

When most people think of missions, they limit it to international missions. The field is white for the harvest here in our country and even our own state. One ministry that is needed is that of the prison ministry. Bro. John Burnette is our supported missionary to the prisons in Georgia, Florida and Alabama. The Lord has opened several new doors for his ministry over the past year with new prisons and the hospice care of the prison as well. Bro. Burnette is able to witness to those in the hospice care, preach to those in the prison the Gospel of Jesus Christ. He also is able to return and disciple those that have accepted Jesus Christ as Savior and teach them to lead a life pleasing to the Lord upon their release. Please pray for this ministry as it is much needed in our land today!

Pastor's Pen

The resounding voice has been crying out for many years that Jesus Christ is coming! I believe with all my heart that this blessed event could take place at any moment! It will be a shout from heaven that will be heard all the way around the world and the people of God, the bride of Christ, will meet their Savior face to face! I am looking up for the glorious return of Jesus. What a wonderful time that will be, when my Jesus I shall see!
