### *Welcome Visitors!!*

Thank you choosing to worship with us today! As our ushers are greeting each of you, they will hand you a visitor card. Please take a moment to complete this with a prayer request or need we can pray for. We will collect those during the service and please come meet Pastor Roye in the foyer after service!

### *Pastor's Pen*

“For every action, there is an opposite equal reaction”. This is one of Newton’s laws of motion. There is another law. The law that impacts the lives of people, Murphy’s law, which states, “Anything that can go wrong will go wrong”. It is when Murphy and Newton align that there may be a problem. As a matter of fact, that moment is when the life of Christian character is put to the test. When trouble arises, that is when what is truly deep within your life will show. The reaction of a Christian should be one of prayer and reliance on God and this is certainly easier to profess than to possess. We may learn the depth and dependence on the God we profess in the times that are the deepest, darkest and dreariest. It is not the mountain tops that show our faith, but the valleys between the mountains. How does your faith show in difficult times? Just stay with God!

### *Monthly Missions Highlight*

Jesus commanded us to go and tell the world about Him. He also commanded that we begin in our local area. Our church supports the Atlanta City Baptist Rescue Mission as a local missionary spreading the gospel to the homeless community of downtown Atlanta. In each of their update letters, they have a life that has been gloriously changed by salvation through Jesus Christ. The mission is open to those that are without a place to stay as well as serving meals to the hungry. With each meal is a service that they preach the gospel of Jesus Christ. Thousands have come to know the power of salvation by the kindness, care and love of the ministry at the Atlanta City Baptist Rescue Mission.
